# The Academic Procession

The Academic Procession is composed of administrators, honored guests, faculty, graduates and the College Advisory Board. This procession is led by a marshal, a graduate of West Virginia State College, who seats the graduates, faculty and platform guests. The faculty enter by academic rank wearing costumes that had their origin in the Medieval English University system. The costumes were devised to distinguish academic persons from lay persons, since everyone wore robes or gowns to ward off the cold. The recession, then, is in reverse order with the platform guest leaving the dais first, followed by the graduates and the faculty.

The colors of the academic dress have a significance deeply rooted in the tradition of academic life and are specified by a uniformed code maintained by the American Council on Education. Caps are black and are usually mortar boards with tassels. Doctors of Philosophy wear gold tassels usually of metallic thread; other degrees wear black or discipline colors.

The bachelors' gown is simple and black with long, pointed sleeves. Masters' gowns, also black, are longer than bachelors. Older gowns have sleeves that terminate at the elbow while those since 1960 have sleeves extended to the wrist. Doctors' gowns are full, with bell-like sleeves. The front is marked by velvet panels and the sleeves are marked by three velvet bars. While most gowns are black with black velvet, one variation is to replace black velvet with velvet in the discipline color. A second variation is a colored gown usually of the university's colors.

All hoods specify the level of degree, the discipline studied and the awarding institution. First, degree level is signified by the size of the hood with bachelors' smallest, masters' larger, and doctors' quite large and of a different shape. West Virginia State College does not award hoods to bachelors. The width of the velvet trim also conveys the degree. Secondly, the discipline is indicated by the color of the trim edging the hood to form the throat over the gown. Finally, the color of the hood's lining specifies the awarding institution. The colors are displayed in combinations that are drawn from heraldry.

The colors of the tassels worn by candidates for baccalaureate degrees represent the fields of study in which the degrees will be conferred. At West Virginia State College the following colors are used to designate the various degrees.

Bachelor of Arts . . . . .	White
Bachelor of Science . . . . .	Yellow
Bachelor of Science in Business Administration . . . . .	Drab
Bachelor of Science in Communications . . . . .	Yellow
Bachelor of Science in Criminal Justice . . . . .	Velvet Blue
Bachelor of Science in Education . . . . .	Light Blue
Bachelor of Science in Industrial Technology . . . . .	Orange
Bachelor of Science in Recreation Service . . . . .	Yellow
Bachelor of Science in Social Work . . . . .	Citron
Associate Degrees . . . . .	White

## The Mace

The Academic Mace precedes the entire procession. The grand marshal carries in his hand this ceremonial staff that is used as a symbol of authority. Its placement and removal from a place of honor signifies the opening and closing of ceremonial sessions. The mace had its origin in the Middle Ages, being used first as a weapon by royal bodyguards to protect their monarches in processions. Today, the mace is primarily used in academic processions, particularly in English speaking countries.

The West Virginia State College mace has historical significance in that it was designed from a spindle from the staircase of West Hall, the second building erected on this campus. West Hall was built in 1895, and was used for various activities. It was located on the present parking lot adjacent to East Hall and on the West side of Fleming Hall.

The mace was restored by James Huffman when he was Assistant Director of Admissions at West Virginia State College.

## The Medallion

The medallion worn by the President represents the chains of office. These chains are worn by chief presiding officers of colleges and universities. Such chains may be of plain links with a medallion suspended from the lowest point in front. In recent years the chains have been replaced by ribbons of velvet denoting the colleges' colors. Incorporated within the medallion is a reproduction of the seal of the College. It is this seal that is impressed on the diplomas awarded to the graduates of West Virginia State College and other official documents.

The medallion is a single piece of crystal, five inches in diameter, designed and created by Cubert L. Smith, class of 1960, retired Professor of Art, West Virginia State College. The seal of the College is etched with an air eraser on the reverse side. This rear etching process enhances the optics of the seal and makes it a one-of-a-kind piece.

## THE NATIONAL ANTHEM

Oh, say can you see by the dawn's early light  
What so proudly we hailed at the twilight's last gleaming,  
Whose broad stripes and bright stars, thru the perilous fight,  
O'er the ramparts we watched, were so gallantly streaming?  
And the rockets' red glare, the bombs bursting in air  
Gave proof through the night that our flag was still there.  
Oh, say does that star-spangled banner yet wave  
O'er the land of the free and the home of the brave?

# Alma Mater

ERNEST WADE '30

MARTHA SPENCER '31

There is a place we love so dear—  
Its name we'll ever praise and revere  
'Tis West Virginia State we love—  
Just one more step from there is Heav'n above.

## REFRAIN:

West Virginia's praise we'll sing—  
Lift our voices 'til heavens ring—  
As we daily march along—  
We'll sing a song—  
For Alma Mater  
How we love her  
Pride of all our loyal hearts—  
From her we will never part—  
Thoughts of thee will ne'er be few  
Alma Mater we love you.

We'll love her more as days go by,  
And send her praises to the sky;  
To place her over all the rest,  
And keep her e'er the dearest and the best.

Shadowed 'neath a deep blue sky;  
Is STATE for whom we'll live and we'll die—  
Arise! O men of God and sing;  
We're loyal, and to her we'll always cling.

## West Virginia State College

**What is West Virginia State College?** It is all of us who believe in it—who absent or present, work in it and wish it well. Its constituency is the living and dead and from them the College enjoys an unrestrained loyalty and willing service. It is an exponent of truth which sweeps aside the petty jealousies of men and all propagandic proposals which would minimize or depreciate personality. It is an institution containing faults and defects which challenge the constructive efforts of students, teachers, officers and graduates. It is incomplete and desires to remain so, to be in an advantageous position for changing life situations.

**What is West Virginia State College?** It is spirit; it cannot be touched by hand; it is based upon communions between the living and those who though dead yet live in an immortality made practical through enlistments in the College program which of necessity requires eternity for completion. What is the College? You and those graduates ahead of you are the College.
